**GARMENT SAVER PREVIEWES ITS BACK-TO-SCHOOL CLOTHING LINE FOR TODDLERS & KIDS**  
**Designed to protect their our outfits from classroom spills & stains**

**Orange County, CA** – For children in daycare or enrolling in Pre-K and Kindergarten, being in school involves lots of play and crafting activities. This can lead to the problem of food splatters and project messes (paint, glue, glitter, etc.) on their clothing; and the potential of wardrobe changes throughout the day.

To help with these issues, Garment Saver is launching its new **Jewel Bright Clothing Collection on July 16<sup>th</sup> 2019**. It features TOPPERS by Garment Saver (or simply TOPPERS), the company’s protective over-garments for babies, toddlers and kids. These will be packaged, as a limited edition, with their Marley Drawstring Bag Set (designed to keep school-required change of clothing and shoes organized).

Parents will find TOPPERS to be both a stylish and practical option as they shop for their children’s back-to-school clothing.

TOPPERS can be layered over any combination of tops and bottoms a child already owns to create a quick, coordinated ensemble. This makes pulling together an outfit in the morning easy! TOPPERS have a front panel lined with special water-resistant fabric, so minor spills like drool, splatters and food drips down front are kept from soaking through to the outfit underneath. All that may be needed is a quick dab of the splatter rather than a complete wardrobe change. TOPPERS also offer peace of mind to the busy school staff. Since the lining acts as a buffer to keep liquids from soaking to the skin, the child can remain comfortable until clean up can be done.

“As a mom, I can relate to the disruption that dealing with unplanned wardrobe changes can cause to teachers and daycare providers trying to manage a roomful of children.” says Sheryll Frazee, owner of Garment Saver. “We hope our TOPPERS can help both parents and school caregivers.”

TOPPERS are packed with many exciting features including water-resistant lining, easy snap opening and much more. They have a size range from 12 Months – 4T. Prices are between \$12 to \$40 retail (USD).

All products are Made In The USA.

**About garmentsaver.com**

Garment Saver offers stylish solutions to make organizing and caring for your wardrobes easy. This includes clothing guards, specialty garment bags and modern pinafores for children. They also offer helpful tips on wardrobe care. For more information, please visit our media page at <http://www.garmentsaver.com/mediakits>
