

MAKEUP & HAIRSTYLE GUARD

For your convenience, you may use this hygienic face cover while changing to: protect your clothing from makeup smudges, keep possible bacteria on clothing from transferring to your face and safely hold your hairstyle in place.

1. Remove dangly earrings.
2. Roll your lips in tightly (if wearing lipstick).
3. Stretch Makeup Guard over your head and pull down to neck.
4. To keep makeup guard in place - stretch the neckline of your garment out as far as possible and SLOWLY roll garment on or off.

Please Note:

You may also hold onto makeup guard during use. They can be re-used multiple times. Just hand wash in warm water and dry flat.
