We endeavor to help you create exclusive gifts for your wedding party. As such, we offer you the opportunity to choose from standard designs or alter them to reflect your vision. These are some of the questions we often get. If you have other questions, you may send us an inquiry using the Custom Inquiry form on our [Made To Order Page](#)

<p>Are all your products made to order?</p> <p>No. We simply offer you the opportunity to order the featured items. This is the fun, special part of wedding gift-giving. We invite you to view our designs at garmentsaver.com</p>	<p>What is Made To Order vs Custom?</p> <p>Made To Order means that those designs are available, as shown, in your choice of our color selection. Custom means you can deviate from the design with your own vision. For example, we can try to match your swatch, use your fabrics, change the garment bag length, zipper color and more! Let us know your ideas via the Custom Inquiry form our Made To Order page</p>
